

## **Center for Research and Education of the Deaf and Hard of Hearing (CED)**

On June 1st, 2016, Center for Research and Education of the Deaf and Hard of Hearing (CED) had a celebration of International Children's Day for trainees and students at CED.

On June 2st, 2016, the representative of Center for Research and Education of the Deaf and Hard of Hearing (CED) and representatives of civil society organizations participated in the meeting with Mr Tom Corrie - Counselor of the Delegation of the European Union in Viet Nam. The meeting focused on the issues related to the application for operation certificate. It is reported that the European Commission is supporting the Government of Vietnam in the process of preparing the Legislation on this issue.

On June 15, 2016, Ms Duong Phuong Hanh – the director of CED welcomed Mr Ryo, the representative of VERY50 Organization. He came for visiting and learning about development needs of CED's activities. VERY50 is a Non- Government Organization in Japan which was established since 2008 until today in 10 countries for support 16 social enterprises with 37 projects was and have been implemented.

On June 16<sup>th</sup> 2016, Ms Duong Phuong Hanh – The director of CED shared about activities of civil society organizations in Ho Chi Minh City, services in CED,... to 22 students joyed in Harvard Viet's Summer Project.

Ms Duong Phuong Hanh – director of CED who also role as General Secretary of Internation Ferderation of Hard of Hearing People (IFHOH) took part in a conference of the Organization in Washington D.C from June 22 to June 26, 2016 which held every four years. Besides, with the role as President Of Asian Pacific Federation of the Hard of Hearing and Deafened (APFHD) along with the members: Associate Professor Dr. Kazuhiko Seya – Medical University in Hirosaki, Japan and Ms Neeta Keshary Bhattarai – President of Shruti Organization, Nepal had a report of the activities of APFHD and the supporting measures for Hard of Hearing People and Deaf in case of natural disasters in Asia Area.

In this month, CED is implementing Summer Classes for students in integration from Ho Chi Minh City and other Provinces. These classes have levels of grade 1,2, 3 and 4, and will finish once the new school year opens. The program is still follow the content of schoolbooks but the most important purpose is to learn inclusive skills for hard of hearing students: learning skill (how to comprehend a passage, how to present a exercise, how to make a learning timetable...), observation and following skill, lip reading skill./.

News: CED.
